

Abundance

To encourage the energy of abundance in one's life

Experiencing a severe sense of lack in one's life.

For people who believe they do not have the ability to create a rich life full of love.

Affirmation: "I give myself permission to receive love."

Cabbage Tree

To hold the truth of prosperity

To help let go of the blocks that prevent us from totally knowing that we have eternal access to Divine Abundance.

(Like – there is nothing to want, we already have it.)

Affirmation: “I now come into my complete divine access to my total prosperity and abundance.”

Supporting Essences

Dark Pink/Violet Bush – Sweetness

To help in the assimilation of sweetness in one’s life.
Denying ourselves happiness.

Total Abundance

The essence of total abundance. Removing all blocks to the full realization of who we are.
