

Arnica Equivalent

Dried-up Daisy

The arnica flower essence

A flower essence that emulates the action of homeopathic arnica, for shock, trauma, and bruising.

For shock, bruising, and the effects of trauma, physical and emotional.

Can be mixed with other essences in an essence mix. This essence is proving to be very effective for all types of “emotional and mental bruising”, as well as for physical injury.

Affirmation: “I heal the legacy of all of this trauma and bruising.”
