

Seeing Totally

Ilex aquifolium – Madame Briot

Seeing everything clearly in its totality

The flower essence for “seeing totally”.

For assisting a person in the process of becoming really totally conscious, in all ways, and on all levels, of what really is true. To come to this awareness, we go through multiple layers of learning experiences, and this essence assists in this process.

**Affirmation: “I now see clearly the totality,
with complete clarity.”**
